

## September 2021 Newsletter

---

### *A Message from our Teachers*

Welcome back to preschool! We look forward to working together for a positive start to school for our students and families. In September, we will focus on learning daily routines and settling into the classroom.

Please review our Canmore Preschool Re-entry Guidelines 2021-2022 so that you are prepared for returning to school during the ongoing pandemic.

#### Daily Routine Highlights:

- Before leaving home, all staff, students and visitors will complete the [Alberta Health Daily Checklist](#) (Adult or Child form as appropriate) before arriving at the preschool.
- Do not attend if the answer is "Yes" to any of the core symptoms on the checklist. See Screening section.
- Families will be asked upon arrival if their child is feeling well enough to attend. If "Yes", then the staff's signature will confirm that they have completed the checklist and that their child is fit to attend.
- Prepare your child to be dropped off at the door and to enter on their own. Parents will remain outside for drop off and pick up.
- Families will arrive no earlier than 5min before the start of their class.
- Use the same right hand path to enter and exit the courtyard.
- While waiting to enter, families will practise safe distancing from other families using the flagging tape as a guide.
- Families that arrive 10 or more minutes past their class start time will have to either contact the admin assistant at 403-678-2538 to meet them at the front door or drop off their child at the back door of the classroom located at the rear of the building.
- Please drop off and pick up on time.
- Be prepared with snack and water bottle.
- Pack weather appropriate outdoor clothing for every class as we may spontaneously decide to have some outdoor time.

Please do your best to prepare your child (and yourselves!) for being dropped off at the preschool door and enter on their own. Emphasize that their visits to preschool are short, that we will have the chance to have fun and play together and, before they know it, you will be back to pick them up and be eager to hear all about their day. Enjoy looking forward to the preschool adventures ahead with this familiar song!

The more we get together,  
Together, together,  
Oh, the more we get together,  
The happier we'll be!

See you soon,  
*Ms. Carmen & Ms. Claire*

### *The Casino Fundraiser*

The AGLC Casino fundraisers for non-profits have been on pause since March, but we have now confirmed dates, **October 28+29th 2021**. This is a large piece of funding for the Preschool and will require many volunteers to work a shift in Calgary. We will provide a Taxi Service.

To sign up for a shift:

<https://signup.com/go/fgJdQnU>

---

### *Save-on Grocery Cards*

Another great way to fundraise are the Save-on Grocery Cards that can be purchased each month.

Did you know you can order more than \$200 in grocery Cards?

Just add the amount you would like to receive in Cards on your Pre-Authorization Agreement.
