## A Message from our Teachers

Dear Families,

We are looking forward to the month of May and all that this month brings. Weather wise this could mean many things, from sun to rain to snow. Please make sure your child is dressed appropriately for the changing temperatures.

The focus for the month will be Spring. The first week we will be working on Mother's Day activities. We are looking forward to having the Mother's join us at the last 10 minutes of classes before Mother's Day, May 11th and 12th.

We will continue to enjoy music classes and in person library story time, the children cannot stop talking about riding the bus! We will also have our last body moves class with Ms. Cathy.

The Pre-K classes will begin Show and Share, stay tuned for details. Empathy visits will be wrapping up with our final visits and saying farewell to our babies.

We will take advantage of the weather with a Spring walk where we will search for signs of Spring. We will end the month with a puppet show.

Ms. Claire & Ms. Debbie
